Our last event of the year is on Wednesday 27 October at Oaklands Park with our usual jolly Christmas lunch. Don't miss it.

## **AND FINALLY**

A recent study found the average golfer walks 900 miles a year

Another study found golfers drink 22 gallons of alcohol a year

This means Golfers do about 41 miles to the gallon! Kind of makes you proud

I almost feel like a hybrid

See you at Bird Hills
